Invitation

Dear Colleagues,

Greetings! Diabetes is increasing in epidemic proportions worldwide. In India alone, more than 77 million people have Diabetes. The need of the hour is to empower Health Care providers with Basic and Advanced Diabetes Care expertise for better management of Diabetes and its associated complications.

Chellaram

**Diabetes** Institute

The Chellaram Diabetes Institute (CDI), well known for its commitment towards the fight against Diabetes, has been organizing International Diabetes Summits every year since 2017 with a huge success. With the increasing need of advanced diabetes care education, the Chellaram Diabetes Institute is organizing the 8<sup>th</sup> International Diabetes Summit from 15<sup>th</sup> to 17<sup>th</sup> March 2024 at Hotel J W Marriott, Senapati Bapat Marg, Pune. This is one of the best venues in Western India and has been a host to various National and International congresses.

The 8<sup>th</sup> International Diabetes Summit 2024 is part of CDI's efforts to tackle the escalating problem of Diabetes in our midst. With the best-in-class Speakers from the leading global Diabetes Institutions - accompanied by accomplished Indian experts - this conference would help bring the latest and the best practices in Diabetes care to Clinicians treating people with Diabetes. World renowned scientific experts in the field of Diabetes including Clinicians and Researchers from Karolinska Institute - Sweden, University of Leicester - UK, Mayo Clinic- USA, Imperial College - UK, Stellenbosch University - South Africa, National University of Singapore - Singapore, University of Dundee - UK, Keele University - UK and many more have agreed to grace the occasion. Indian experts will also participate and bring out our country's perspective in managing Diabetes.

We invite you to participate in this conference, which will have a never-before charm as far as Diabetes Conferences in this part of the world are concerned.

Unibrishnan AG.

With Best Wishes, The Organizing Team CDI's 8<sup>th</sup> International Diabetes Summit 2024
